About the artist
HUNG Keung

New & Digital Media Artist / Scholar / Researcher / Media Art Specialist / Associate Professor, Department of Cultural and Creative Arts, The Education University of Hong Kong / Director and Founder of innov + media lab (imhklab) / MA @ Central Saint Martins College of Art and Design (UK) / Research @ ZKM (DE) / PhD @ The Planetary Collegium, Zurich University of the Arts (CH) & University of Plymouth (UK), supervised by Prof. Dr. Jill Scott and Prof. Dr. Thea Brejzek.

HUNG's innovative art practice involves experimenting and researching across a range of media, including interactive performance, moving images, photography, experimental ink painting, installation and writing and beyond. In 2005, HUNG founded innov+media lab which focuses on new media art and design research to intergrate Chinese conceptual philosophy with digital media technology.

Hung's recent awards in 2021 include: the Gold Medal of The International Invention Innovation Competition in Canada; Artist of the Year (Media Arts), The 15th Hong Kong Arts Development Awards; the Gold Medal of The Invention Geneva Evaluation Days Special Edition 2021, Switzerland; and Excellent Work, Tokyo YDC Annual Awards 2021, Japan; and in 2020 include: Gold Medal, The International Innovation and Invention Competition (IIIC), Taiwan; and Best Experimental, Los Angeles Film & Script Festival Award, USA.
